2015-2016 Annual Report

Greetings from Our Foundation

The 2015-16 year has been another strong year for our Pennsylvania Kiwanis Foundation as we celebrated our 36th year of service to the children of Pennsylvania.

On behalf of all of our program recipients and children across Pennsylvania, I would like to thank **YOU** — our donors, clubs, individuals, and organizations who allow us to give back to our communities. It is through your generosity that we can provide meaningful programs to aid the Kiwanis family and provide critical resources to improve the lives of children. I hope that everyone makes our Pennsylvania Kiwanis Foundation a philanthropic priority so that we can continue to grow and support even more initiatives.

The Early Learning Program continues to grow and is becoming a hallmark program for our Foundation. This year, we surpassed the 150,000 mark for guides distributed since the program began and we are looking for ways to grow our efforts beyond the guides to other early learning efforts.

I urge you as Kiwanis members and clubs to apply for Foundation grants and scholarships because if you don't apply the answer is always "no".

On behalf of the children we impact as Kiwanis members every day, thank you for your continued support of our Foundation. If I can be of any assistance, please do not hesitate to contact me.

Yours in Kiwanis service,

2015-2016: Year in Review

Early Learning Initiative

Kiwanis in Pennsylvania continues to work and partner with the Pennsylvania Early Learning Investment Commission as a strategic partner of the Commission. Commission members have joined Kiwanis and through the Commission, Kiwanis is well recognized in Pennsylvania State Government for its work in the area of Early Childhood Education and Development. Our association with the Commission has brought us the program and strongly leveraged the dollars we have invested in the program.

This year, our Foundation approved a grant of over \$26,500 to support the efforts of Pennsylvania Kiwanians in the printing and distribution of Early Learning Guides to be distributed to families across the state of Pennsylvania. Through the work of Kiwanis clubs, to date, we have been able to impact children in 55 of Pennsylvania's 67 counties, with over 150,000 guides distributed to date. Clubs that are interested in distributing guides in their community can contact the District Office for pick up or delivery options.

2015-2016: Year in Review

Key Leader: Connect. Risk. Engage. Serve. Lead.

This year, our outreach extended to two Key Leader sites in the district providing \$75 scholarships to each of the 130 participants in the Key Leader program at Camp Conrad Weiser in Eastern PA and Camp Allegheny in Western PA. Key Leader is a weekend experiential leadership program for today's young leaders.

Look for two Key Leader programs in the spring of 2017 and encourage students age 14-18 to take advantage of this life-changing opportunity.

2015-2016: Year in Review

Service Leadership Program: Leadership Building

The Pennsylvania Kiwanis Foundation continued our commitment to support the Pennsylvania Service Leadership organization by providing over \$14,000 in support of leadership building activities.

This year, we expanded our support of our Kiwanis family with support of the District Aktion club program in addition to our support of Key Club and Circle K, which provides valuable resources for their leadership training and development and hands-on service.

Mile of Dimes: Governor's Project

The Pennsylvania Kiwanis Foundation is grateful for the leadership of Governor Jen Vare and her Mile of Dimes project. This project directly supports our Early Learning Fund with one mile of dimes equal to \$8,976.

Key Club and Circle K Partnership

This year, both the Key Club and Circle K have selected to partner with the Pennsylvania Kiwanis Foundation in our campaign for Early Learning.

Circle K has chosen Early Childhood Learning as their 2016-17 District Service Project, while Key Club has named Early Childhood Education as their 2016-2017 Youth Serving Youth project. We are grateful for the Kiwanis family partnership to expand the outreach of our Early Learning initiatives.

Rose Sale

The Foundation appreciates the support of the Kiwanis family clubs that sold roses during the annual Rose Sale. These funds provided valuable resources for both the clubs and our Foundation. Kiwanis clubs and service leadership programs can participate in the 2016 sale by visiting www.pkfonline.org and downloading this year's forms and information.

University of Pittsburgh Student Experience Relationship

This year, we expanded our relationship with the University of Pittsburgh by working with Professor Deborah Good's compensation analysis class on potential growth areas for the Foundation.

For the second year, the University of Pittsburgh Berg Center's Kenneth R. Woodcock Fellows Program partnered with the Foundation to have two MBA Students placed as guest members of a non-profit board. In this role, the fellows attended a board meeting, engaged with important Kiwanis stakeholders, attended Kiwanis Mid-Winter Conference, and had the opportunity to work with the Foundation in the analysis of increasing our marketing and donor outreach through various activities. A special thanks goes to Fellows Brad Leeman and Shiny Paul Darivemula for their time and efforts. We wish them the best in their future endeavors.

In addition, this summer the Foundation has had a University of Pittsburgh student Chloe Krauss working with our Foundation as an intern paid for by the University. Chloe has been working on procedural and marketing materials. We are grateful for Chloe's assistance in moving our Foundation forward.

New Club Grants

To encourage service in their community when new clubs are chartered, our Foundation is proud to provide newly-chartered clubs with a grant of \$250 for use in their service account. We are honored to report that the Kiwanis Club of Norriton-Circle received a new club grant this year and we are looking forward to giving more in the months ahead.
