**2016-2017 Annual Report**

## Greeting from Our Foundation

Dear friends,

The 2016-17 year has been another strong year for our Pennsylvania Kiwanis Foundation as we celebrated our 38th year of service to the children and communities of Pennsylvania.

On behalf of all of our program recipients and children across Pennsylvania, I would like to thank **YOU** — our donors, clubs, individuals, and organizations who allowed us to give back to our communities. It is through your generosity we provided meaningful programs to aid the Kiwanis family and critical resources to improve the lives of children. I hope everyone continues to make our Pennsylvania Kiwanis Foundation a philanthropic priority so we can continue to grow and support even more initiatives in the future.

One program to highlight this year is the continued success of the Early Learning Initiative. The program continues to grow and has become a hallmark program for our Foundation. This year, we distributed 197,000 guides since the program began and have continued to grow our other early learning efforts including the Pennsylvania One Book, Every Young Child Early Literacy Program.

Thank you for making this year one I will always remember. You, our loyal supporters and friends, have inspired me more than words can express. My hope for the coming years is for our Foundation to continue to grow so we can all continue to share in its success together. In closing, I urge all Pennsylvania Kiwanis members and clubs to apply for Foundation programs, grants, and scholarships. To quote Immediate Past Foundation President Ben Osterhout, “If you don’t apply, the answer will always be ‘no’.”

On behalf of the children we impact everyday as Kiwanis members, especially in Pennsylvania, thank you for your continued support of our Foundation. If I can be of any assistance please do not hesitate to contact me.

Yours in Kiwanis service,

Kristina L. Badali, President

## Our Impact with Early Learning

### Early Learning Initiative

Kiwanis in Pennsylvania continues to work and partner with the Pennsylvania Early Learning Investment Commission as a strategic partner of the Commission. Commission members have joined Kiwanis and through the Commission, Kiwanis is well recognized in Pennsylvania State Government for its work in the area of Early Childhood Education and Development. Our association with the Commission has brought us the program and strongly leveraged the dollars we have invested in the program.

#### Early Learning Guides

This year, our Foundation approved a grant of \$31,000 to support the efforts of Pennsylvania Kiwanians in the printing and distribution of Early Learning Guides to be distributed to families across the state of Pennsylvania. Through the work of Kiwanis clubs, to date, we have been able to impact children in 56 of Pennsylvania's 67 counties, with over 197,000 guides distributed to date. Kiwanis Family Clubs that are interested in distributing guides in their community can contact the District Office for pick-up or delivery options.

#### Pennsylvania One Book, Every Young Child Early Literacy Program

In addition, this year we have also approved a grant of \$6,500 to support Pennsylvania's *One Book, Every Young Child* 2017 book selection "Daniel Finds a Poem". Now in its 12th year, *One Book, Every Young Child* is a valuable program that highlights the importance of early literacy development in preschoolers and the significance of reading early and often to children, as well as engaging them in conversation and other activities around books. These books are currently being distributed to foster care workers and families across the state of Pennsylvania. All of the books purchased with the grant also have the Pennsylvania Kiwanis logo inside of the front cover.

## Our Impact with Service Leadership Programs

### Service Leadership Program: Leadership Building

The Pennsylvania Kiwanis Foundation continued our commitment to support the Pennsylvania Service Leadership organization by providing over \$14,000 in support of leadership building activities. This includes with Pennsylvania Key Club, Circle K, and Aktion Clubs which provides valuable resources for their leadership training and development and hands-on service.

### Key Leader: Connect. Risk. Engage. Serve. Lead.

This year, our outreach extended to two Key Leader sites in the district providing \$75 scholarships to each of the 67 participants in the Key Leader program at Camp Conrad Weiser in Eastern PA and Camp Allegheny in Western PA. Key Leader is a weekend experiential leadership program for today's young leaders.

Look for the Key Leader Program on April 20-22, 2018 at Camp Conrad Weiser and encourage students age 14-18 to take advantage of this life-changing opportunity.
