2017-2018 Annual Report

Greeting from Our Foundation

Dear friends,

Kids need Kiwanis. This little phrase makes a big impact and Pennsylvania Kiwanians make a key difference to the children and communities of Pennsylvania. The Pennsylvania Kiwanis Foundation is proud to show you how we amplified your impact for our communities and children as we celebrate our 38th year of service.

On behalf of all of our program recipients and children across Pennsylvania, I would like to **THANK YOU** — our donors, clubs, individuals, and organizations who allowed us to give back to our communities. It is through your generosity we provided meaningful programs to aid the Kiwanis family and critical resources to improve the lives of children. I hope everyone continues to make our Pennsylvania Kiwanis Foundation a philanthropic priority so we can continue to grow and support even more initiatives in the future.

One program to highlight this year is the continued success of our Early Learning Initiative. The program continues to grow and has become a hallmark program for our Foundation. We have distributed 239,000 guides since the program began and have continued to grow other early learning efforts including the Pennsylvania One Book, Every Young Child Early Literacy Program.

Thank you again for making this year one I will always remember. You, our loyal supporters and friends, have inspired me more than words can express. My hope for the coming years is for our Foundation to continue to grow so we can all continue to share in its success and impact together.

In closing, I urge all Pennsylvania Kiwanis members and clubs to apply for Foundation programs, grants, and scholarships. Information can be found on our website— www.pkfonline.org. If the Foundation Directors or myself can be of any assistance please do not hesitate to contact us.

Yours in Kiwanis service,

Kristina L. Badali, President

Our Impact with Service Leadership Programs

Service Leadership Program: Leadership Building

For many of the Kiwanis Family’s younger members, joining a Service Leadership Program is the first step in a lifelong journey of service. It can even be their first leadership experience. For those who have a passion for it, opportunities for a deeper involvement can be an inspiration.

The Pennsylvania Kiwanis Foundation continued our commitment to support the Pennsylvania Service Leadership organization by providing over \$18,000 in support of leadership building activities. This includes Pennsylvania Key Club, Circle K, Aktion Club, and Key Leader which provide valuable resources for leadership training and development as well as hands-on service.

Pennsylvania Aktion Club

The Foundation provided funds to the Pennsylvania Aktion Club for attendance at Kiwanis International’s Training and Leadership Conference (TLC) in Las Vegas, Nevada as well as the Annual Aktion Club District Convention.

Our Impact with Foundation Club Grants

Foundation Club Grants

Many communities struggle to meet all the needs of children. We provide grants for Kiwanis-led, hands-on service projects that focus on health, education, and youth leadership development. The Pennsylvania Kiwanis Foundation encourages Kiwanis-family service leadership programs and other projects involving young children to apply for grant funding. Requests for funding are only considered for Kiwanis-family clubs or programs. Grant decisions are made according to the annual grant review cycle at regularly scheduled Pennsylvania Kiwanis Foundation Board Meetings. This year, our Foundation awarded over \$11,000 with eight grants to Pennsylvania Kiwanis Clubs and Service Leadership organizations.

Rise Against Hunger Event

Kiwanis Clubs of Region 7
October 2018

Pennsylvania Kiwanis Region 7 was able to partner with Rise Against Hunger to package 10,152 meals in 2 hours with the local Kiwanis Family through the generosity of the Foundation and all of Region 7 Clubs. Rise Against Hunger is an international hunger relief organization that distributes food and life-changing aid to the world's most vulnerable, and focuses on mobilizing the necessary resources to end hunger by 2030.

Books for Pre-school

Kiwanis Club of Edinboro
October 2018

Every month, the Kiwanis of Edinboro members read to five local pre-school classes. Thanks to a grant given by the Foundation, the club was able to give the books to the classrooms for the children to enjoy over and over again. The debate remains to who has more fun - the kids or the Kiwanis members.

Kiwanis Helps Raise Readers

Kiwanis Club of Bald Eagle and Nittany Valleys

July 2018

The club added a Reading Corner to their Kids Day event this year. This was an area where kids and families could read together or be read to by one of our guest readers. Thanks to a grant given by the Foundation, the club was able to provide two books to every child that attended and some even took books to share with their siblings that weren't able to attend. Club members were also able to talk with the kids and help them choose an appropriate book.

The Easton Playground and Gardens Project

Kiwanis Club of Easton
July 2018

The Kiwanis Club of Easton did fundraising to build the Easton Playground and Garden Project to celebrate its 100th birthday. This playground will be located at the local Boys & Girls Club of Easton. Plans also call for the property to be transformed by next year with a playground and a garden built into the slope of the hill where there should be enough space to grow food to feed the entire neighborhood. The Foundation provided a grant towards the club’s project.

Laundering Our Children's Minds

Kiwanis Club of Milton/Warrior Run

June 2018

Children can now read age-appropriate books while a parent/guardian is doing laundry at several local area laundromats. With the Foundation's grant, two additional laundromat libraries in the surrounding local towns were constructed. With the donation of a bookshelf, children's books were purchased with the grant and Kiwanis stickers were placed inside. The club plans to rotate the books on quarterly basis, as well as place early learning guides on the bookshelves.

Our Operational Improvements

As we continue to grow as a non-profit organization, our Foundation Board continues to work together to improve our Foundation's Operations. This includes:

Accountability

- The Foundation Board takes seriously being accountable for implementation and execution of its programs and activities. Procedures continue to be updated and implemented with our grant and scholarship programs.
- District Programs and clubs who receive funding have also been requested to provide reports on funding received to the Foundation Board.

Business Operations

- The Foundation Board has implemented better tracking tools to assist with donations received. Reporting is now more efficient and effective.
- Communication has been improved to be more streamlined with our website and social media. Also, more transparency has been given to board actions and operations through reports to the Pennsylvania Kiwanis District Board.
- The Foundation Board has started a fund for strategic planning and board education to help guide our organization in the best direction for the future.

Financial Responsibility

- The Foundation Board continues to strive to be financially responsible in its efforts. This includes ensuring the annual budget is set appropriately and funds are distributed in an organized manner.
- Our finance committee works together to ensure our financial statements are accurate and audited appropriately with all required tax returns submitted on a timely basis.
